Siblings due to start School in September 2024

As you will be aware, with the new housing developments having gone up in the area, Primary School places are becoming oversubscribed.

Therefore, can we please remind all parents who already have children in the school, but require a space for a sibling to start in Year R in September 2024, to ensure that they apply by **15th January** (see details below).

Open Mornings

Due to a high demand for tours, we have added more open mornings dates for parents whose children are due to start primary school in September 2024 to visit the school. These visits give prospective parents the opportunity to have a tour of all the classrooms and an informal talk from leaders about Shawfield.
