

## **Shawfield Primary School Special Education Needs / Disabilities (SEND) Information Report 2019/20**

At Shawfield Primary School we are dedicated to achieving and celebrating success for all. We offer an inclusive curriculum to ensure the best possible progress for all our pupils, whatever their needs or abilities. We aim to work closely with parents/carers to identify and break down possible barriers to learning and to ensure that all pupils have access to a broad and balanced curriculum.

A child is considered to have SEND if they have defined difficulties over and above those generally experienced by the majority of their peers. Children may have SEND throughout their school career or only at specific times. A child with SEND will require support that is additional to and different from that made generally for other children in their class.

At Shawfield Primary School additional to/different from provision is currently being made for children with a range of needs including:

- Cognition and Learning – Moderate Learning Difficulties and Specific Learning Difficulties e.g. dyslexia, dyspraxia
- Physical and Sensory – hearing impairment and physical difficulties
- Communication and Interaction – Autistic Spectrum Condition, Speech and Language difficulties
- Social Emotional and Mental Health – Attention Deficit Hyperactivity Disorder, Attachment Difficulties

However, at Shawfield Primary School a child with SEND is not viewed as a separate entity but as part of the whole school approach and different children's needs are met through varied and flexible provision across the curriculum.

### **The School SEND Report**

The school utilises the Local Authority (LA) Local Offer to meet the needs of pupils with Special Educational Needs / Disabilities as determined by school policy, and the provision that the school is able to meet.

### **What is the Local Offer and where can I get further information about services for my child?**

The *Children and Families Bill* became statutory in 2014. Local Authorities and schools are required to publish and keep under review information about services they expect to be available for the children and young people with SEND aged 0-25. This is the 'Local Offer'. The intention of the Local Offer is to improve choice and transparency for families. It is also an important resource for parents in understanding the range of services and provision in the local area.

You can access further information regarding the Local Offer via the following website.

<https://www.surreylocaloffer.org.uk/>

**How does the school know if children need extra help and what should I do if I think my child may have SEND?**

- Some children may have been identified as having SEND prior to starting at Shawfield Primary School. Where this is the case we expect the pre-school provider or previous school to contact us to discuss their SEND, any programme of intervention being used or adjustment to the curriculum or learning environment undertaken. This will help us to provide a smooth transition to our school.
- At Shawfield Primary School teachers use a range of assessment methods, both formal and informal, to build an accurate picture of each child's strengths and difficulties.
- The progress and attainment of all children is monitored regularly through observations and assessments by class teachers and the Senior Leadership Team (SLT) which includes the Special Educational Needs/Disabilities Co-ordinator (SENDCo). Pupil Progress Meetings take place each term to discuss progress and to determine how children with additional needs may be supported.
- When a child is not making expected progress in areas of the curriculum they may be identified as requiring additional support. A meeting will be arranged between the parents/carers, class teacher and, if necessary, the SENDCo to discuss the child's needs and the next steps to take.
- If you are concerned about the progress of your child the first step would be to arrange an appointment to speak to the class teacher. Where appropriate and if further action is required the SENDCo will investigate the concerns and arrange a meeting alongside the class teacher, to feedback findings to parents/carers.
- The SENDCo at Shawfield Primary School is Mrs D. Griffith.
- Appointments with the class teacher or the SENDCo can be made through the School Office (01252 320379).

**2019/20**

**How will the school support my child?**

- At Shawfield Primary School we recognise that every teacher is a teacher of SEND and therefore every day, every child is supported in their learning as differentiation is planned for and embedded into our practise.
- Your child will be taught in a class base with a good adult: pupil ratio. Every class has at least one Teaching Assistant (TA) in the mornings to support Literacy and Mathematics, whilst Key Stage One classes have full time TA support.
- Your child's class teacher will have the support of the SENDCo to plan and deliver any additional support identified as being necessary. The type and length of support will depend on the particular needs of the individual child.
- Children requiring additional support may receive this in the classroom via an extra adult working with them 1:1 or in a small group situation. Some children may be withdrawn from the classroom for a brief period of time to work on a specific activity or intervention programme.
- The interventions we put in place have been well researched and their impact is monitored by the SENDCo. This information is then shared with the rest of the SLT, staff and governors.
- Children who have medical needs are supported through liaison with medical professionals, the school nurse and Specialist Support Teachers.
- If your child has a specific health issue and requires medication or personal care assistance, we will ensure that an appropriate number of staff are fully trained to carry out any procedures required.
- Your permission will be sought if we feel external support or advice is required e.g. Speech & Language Therapy.

Information Report  
2019/20**

<p><b>How is the decision made about what type and how much support my child will receive?</b></p>	<ul style="list-style-type: none"> <li>- We work in partnership with parents/carers and the professionals involved with the children to agree appropriate support for individual pupils.</li> <li>- The type and how much support your child will receive is reviewed at termly pupil progress meetings which involve the class teacher and SLT, including the SENDCo.</li> <li>- If your child requires a higher level of support than currently being received, the SENDCo will consider the interventions, staff and resources available and discuss the appropriate next steps with you.</li> <li>- If further support or advice is needed from external professionals the SENDCo will again discuss this with you and gain your permission before any referral is made.</li> <li>- If your child's progress continues to be of concern, then the school may apply for an Educational Health and Care Plan (EHCP).</li> <li>- For those pupils with an EHCP, how much support they receive is reviewed during the Annual Review process. At this meeting, you would be invited to discuss your child's progress with the SENDCo, other members of staff who work with your child and occasionally other professionals. Your child would also have the opportunity to express their views during this process.</li> <li>- Your child's own views and aspirations will always be considered when planning and reviewing additional support. How this is done will vary according to your child's age.</li> </ul>
<p><b>How will the curriculum be matched to my child's needs?</b></p>	<ul style="list-style-type: none"> <li>- Shawfield Primary School works on the 'Assess, Plan, Do, Review' model and careful planning, combined with regular individual feedback, enables your child to know how to improve and to meet his or her individual targets.</li> </ul>

**Shawfield Primary School Special Education Needs / Disabilities (SEND)**  
**Information Report**  
**2019/20**

**How will I know how my child is doing and how will you help me to support my child's learning?**

- 'Meet the Teacher' mornings are held with parents at the beginning of the school year to share information about the curriculum and school routines.
- Throughout the year Curriculum Workshops are held to enable parents to support their child's learning at home.
- There are opportunities to discuss your child's progress and review their targets for learning at our termly parent/teacher meetings. If you have concerns between these times, you can arrange a meeting with the class teacher/SENDCo via the school office.
- Home Learning and Reading Diaries will enable communication between yourself and the class teacher.
- In some instances, more frequent communication between home and school may be required. This can be arranged by the class teacher in collaboration with the parent/carer e.g. a home/school communication book to share progress.
- You will receive an annual written report outlining your child's achievement, attainment and progress at the end of the Summer Term.
- Other opportunities to view your child's work and celebrate their achievements occur throughout the academic year.

**Shawfield Primary School Special Education Needs / Disabilities (SEND)**  
**Information Report**  
**2019/20**

**What support will there be for my child's overall wellbeing?**

- If your child has a health need e.g. specific allergies or asthma, then you will be asked to work with a member of staff to develop an Individual Health Care Plan (IHCP). With your consent, this plan will then be shared with relevant staff.
- Lunchtime supervision is carried out by TAs who are trained first aiders.
- All staff are aware of and follow the school's First Aid and Medical Guidelines. Medicines are kept securely and only administered with parental permission. All staff have been trained to use an epi-pen.
- Personal, Social, Health and Economic education (PSHE) is taught throughout the school and all classes have regular Circle Time.
- We have two fully trained Emotional Literacy Support Assistants (ELSA) who runs intervention programmes for children who need additional support with social or emotional difficulties. Your permission is always sought before ELSA support is given to a child.
- We have a Home School Link Worker (HSLW), Mrs A Dixon, who provides support to children and families who may be experiencing difficulties.
- At Shawfield Primary School we place a great deal of importance on attendance and trends are monitored closely by the Head of School. Where there is cause for concern necessary action is taken to prevent prolonged, unauthorised absence.
- Our School Council, consists of fourteen children, two representatives from each class. The School Council meet regularly with the Head of School to discuss issues relating to the school and the local community. The children then discuss these meetings with their peers in the classroom.
- Shawfield Primary School has clear Anti-bullying, Behaviour and Safeguarding policies, all available on our website.

**Shawfield Primary School Special Education Needs / Disabilities (SEND)**  
**Information Report**  
**2019/20**

**What specialist services and expertise are available at or accessed by the school and what training have the staff supporting the children had or are having?**

- All teachers at the school hold qualified teacher status and receive regular training which keeps them up to date with the specialist skills necessary for working with children with SEND or additional needs. Recent training includes: Mental Health Awareness, working with children for whom English is an additional language and working with children with a hearing impairment.
- Our SENDCo is an experienced teacher and has worked with children with SEND for many years. She is qualified as a teacher of learners with Specific Learning Difficulties, has the National Award for SEN Co-ordination and is currently studying for an MA in SEND.
- The majority of our Teaching Assistants either have, or are working towards, a Level 3 qualification in Supporting Teaching and Learning in Schools.
- All Teaching Assistants receive regular training on SEND intervention programmes such as: First Class @ Numbers, Catch Up Numeracy, Catch Up Literacy and Precision Teaching. Some have been trained to use Makaton sign language and basic First Aid.
- The school has two fully trained Emotional Literacy Support Assistants.
- If the school requires additional advice or support, we have access to a number of other professionals including:
  - Educational Psychologist (EP)*
  - South West Specialist Teachers for Inclusive Practice (STIP)*
  - Occupational Therapist (OT)*
  - Physical & Sensory Support Service (PSSS)*
  - Race, Equality and Minority Achievement (REMA)*
  - Speech & Language Therapy (SALT)*
- In addition, we liaise closely with other agencies who work collaboratively with school staff in meeting the wider range of pupils' needs:
  - CAMHS (Child and Adolescent Mental Health Service)*
  - Social Workers*
  - Paediatricians*
  - School Nurse*
  - Diabetes Specialist Nurse*
  - Surrey Virtual School*

**Information Report**  
**2019/20**

<p><b>How will my child be included in activities outside the classroom, including school trips?</b></p>	<ul style="list-style-type: none"><li>- All children are included in all areas of school life, including school trips, providing it is safe for them to do so.</li><li>- Before residential visits, you will be invited to a meeting with the visit leader and the other staff involved.</li><li>- Thorough risk assessments are carried out for all off-site activities to ensure that they are appropriate for all pupils to access.</li><li>- If necessary, an additional adult may accompany a school trip to ensure accessibility for all.</li></ul>
<p><b>How accessible is the school environment?</b></p>	<ul style="list-style-type: none"><li>- Every classroom at Shawfield Primary School is wheelchair accessible. There is a fully fitted disabled toilet with sliding door and handrails. We also have lift access from the hall to the playground.</li><li>- We work closely with REMA (Race, Equality &amp; Minority Achievement) to engage and support our Traveller families and those for whom English is an additional language.</li><li>- Classroom environments are assessed regularly and may be adapted to suit the needs of all learners.</li><li>- Parking is available on site for parents of disabled children or to parents who themselves are disabled.</li><li>- We have an Accessibility Plan in place.</li></ul>

**Shawfield Primary School Special Education Needs / Disabilities (SEND)**  
**Information Report**  
**2019/20**

**How will the school prepare and support my child to join the school and transfer to a new school?**

- All parents/carers and children are invited to visit the school prior to starting to meet with the Head of School and tour the building.
- We have close links with our nearest nursery and a well-established Induction Programme for all children transferring from their pre-school provision. The programme includes several story time/play sessions for the children and information talks for the parents/carers. This gives your child the opportunity to familiarise themselves with their new classroom and teacher.
- Early years staff will carry out home visits in September and children have a staggered entry to school over a two-week period.
- Staff from Early Years and the SENDCo visit the pre-school settings to liaise and receive relevant records.
- If your child is joining the school in a year group other than Year R then they will be given a 'buddy' to help them settle quickly and be put into a 'Family Group' with children and an adult from across the school.
- When leaving the school, all records are forwarded to your child's new school. For a child with SEND, copies of all SEND records will be forwarded and liaison with the new school will be sought.
- The Year 6 teacher and the SENDCo meet with the Head of Year 7 and the secondary school SENDCo to aid your child's transition to their new school.
- We have close links with our local secondary school. Staff and ex-Shawfield pupils visit Year 6 to help dispel any anxieties your child might be feeling.
- The SENDCo and ELSA also run a Transition Programme for small groups of children who may benefit from extra support.
- In school, we prepare the children for change, particularly through circle time and PSHE activities.
- If your child has SEND or may find transition challenging, they will have the opportunity to make additional visits to their new school.
